

# IEEE 2014 ICCE-Berlin

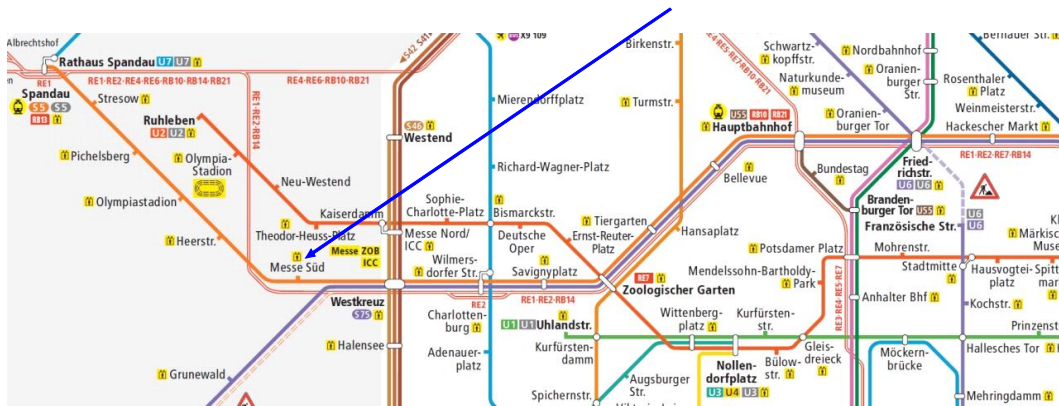

## The 4<sup>th</sup> IEEE International Conference on Consumer Electronics – Berlin, 7 – 10 September 2014

### How to get to IEEE 2014 ICCE-Berlin

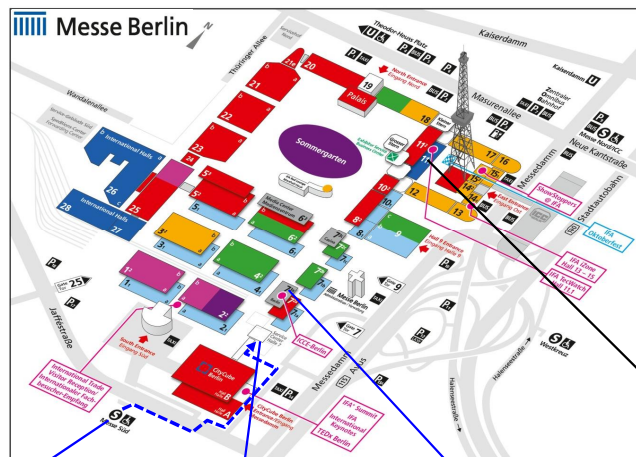

There are three S-Bahn stations around the IFA ground, nearest to our conference site is **station “Messe Süd”** on S-Bahn line **S-5** (direction “Spandau”, **1 stop from “Westkreuz”**, where it crosses the ring lines).

Leave the S-Bahn station “Messe Süd” at its **East exit (!)**, follow the Jafféstraße to the **right/East**, walk around the CityCube Berlin building, then walk up the stairs to the **entrance of Hall 7**. **This is the only entrance that is open early enough for our conference to start at 09:00 h**, all other IFA entrances will open at 10:00 only – so do avoid the South entrance!!! And you need to have your **IFA ticket** with you! Our conference is on the **third floor, room 7.3 “Berlin”**.
